

Gloucestershire Association of Smallbore Rifle and Pistol Clubs

SAFEGUARDING

POLICIES AND PROCEDURES FOR PROTECTING CHILDREN AND VULNERABLE ADULTS

The Association has adopted the Safeguarding Policies of the NSRA and is committed to ensuring that the County Range provides a safe environment for junior members to enjoy the sport of target shooting and ensure that they are protected from abuse or maltreatment.

To this end the Association has appointed an experienced Child Protection Officer.

If you have any concerns regarding the safeguarding of junior members and visitors at the County Range, whether during an organised event or during informal affiliated club shooting sessions, you must inform the Association's Child Protection Officer:

Mr David Parfitt
